The purpose of the Archdeaconry Greater Chapter is:

An Archdeaconry Greater Chapter shall strengthen and encourage its members in the Ministry of Christ and share in service and fellowship with the rest of the Body of Christ in the Archdeaconry and the Diocese.

The goals of the Archdeaconry Greater Chapter are:

- to serve as a gathering to celebrate the Ministry of Christ so that both the clergy and the laity of the Diocese may become what they are called to be;*
- to serve as a vehicle for communication among parishes, among deaneries and Archdeaconries, between parish and Diocese as well as among all baptized Christians; and*
- to enable the exercising of ministry beyond parish boundaries within the Church and in areas of social responsibility and outreach.*

Regulation 4-1 Regional Governance

The Greater Chapter might strive to make possible together what is difficult or impossible for us to accomplish separately. To that end, please suggest what you would like to see on future agendas of meetings of the Greater Chapter.
